THE EXPLOITS OF SIR HENRY TONK (to the tune of A Modern Major General by Gilbert & Sullivan)

In 1969 some friends from old Queen's University
Decided to have fun and celebrate the New Year's entry
12 courses they devised and then 12 entertainments happily
Ensued, they planned it all with gusto and, hey presto, merrily

Charles and Marcus, Kate and Stewart, Fred & Gerry, all were there
Yvonne and Sally, Brian, Susan, and of course John – with more hair –
But little did they re-a-lize that time would pass and they would all
Be celebrating every year, no matter what, these stories tall (repeat 3x)

The stories came from Henry Tonk, adventurer and traveler,
He lived in No.9 but was a worldly-wise ambassador,
THE ONLY REASON WE ARE HERE'S TO RAISE A GLASS AND GIVE A CHEER
TO 50 YEARS OF EXPLOITS FROM THE ANNALS OF SIR HENRY TONK (repeat)

Winter Banquet, Coronation, Death & Resurrection were in
Belfast, then there came a year in Edinburgh that I WAS IN
The Psing Prawn Province, Henry flew at midnight on a bone in through
A window to confound his rival, Fortescue, and he did win

Henry Tonk discovered oil, and it was quite unslickable
Much later were the Plagues of Egypt and the Temple lickable!
Tonkarama had King Kong, Duck Soup and Krakatoa and
We followed the Brick Road so yellow to the City Emerald (repeat 3x)

The Time Machine foresaw the future, which is now the past alas
The Sheep of Things To Come was one of many courses, not the last,
THE ONLY REASON WE ARE HERE'S TO RAISE A GLASS AND GIVE A CHEER
TO 50 YEARS OF EXPLOITS FROM THE ANNALS OF SIR HENRY TONK
(repeat)

Some years were split by weather foul, two banquets simultaneous
Made changes necessary and so quite extemporaneous
From Edinburgh to Belfast or to Glasgow instantaneous
The ideas flew and with them many courses full of genius....

But come what may, the group regrouped and every year the exploits grew
More fanciful and fractious and were joined by many people new
He grew in stature, grew in state, tho' often times he was quite late
His fame did grow and grow and so he gathered fans of every trait (repeat 3x)

They had the Silver, now the Gold, the stories told are stories old
They've come from far and near to celebrate the final year of gold
THE ONLY REASON WE ARE HERE'S TO RAISE A GLASS AND GIVE A CHEER
TO 50 YEARS OF EXPLOITS FROM THE ANNALS OF SIR HENRY TONK (repeat)
